REVERENDISSIMO ET ILLVSTRISSIMO PRINCIPI AC DOMINO, DOMINO MARTINO, DEI ET APOSTOLICA
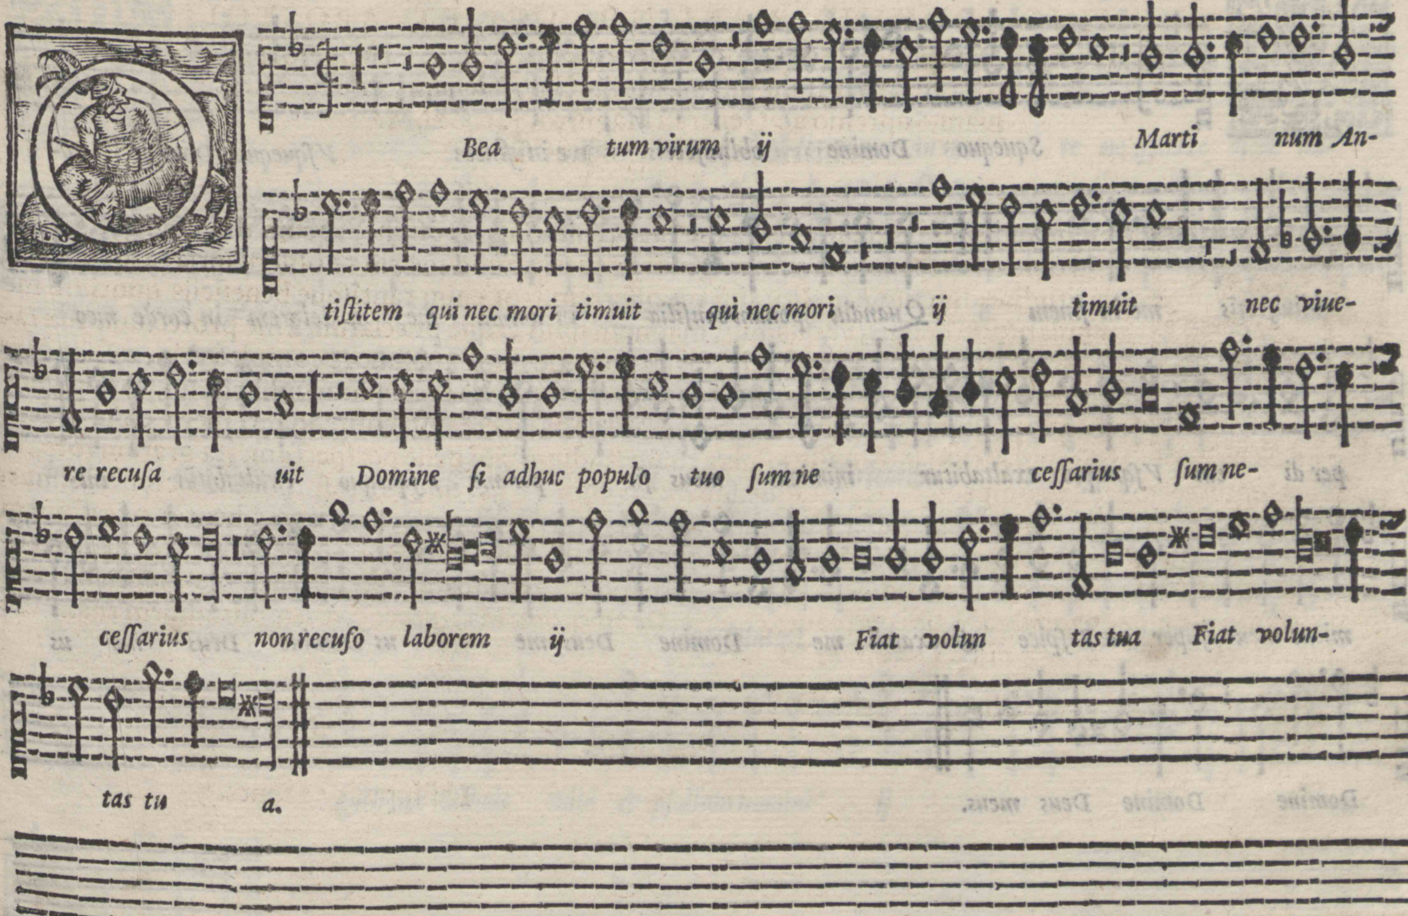

Sedis gratia Archiepiſcopo Pragen. Legato nato, Ordinis Crucigerorum cum rubea ſtella per Bohæmiam, Morauiam, Sileſiam, Poloniam, Supremo ac Generali Magiſtro, Sac. Cæſ. M. Conſiliario, D. ſuo Colendiſſimo.
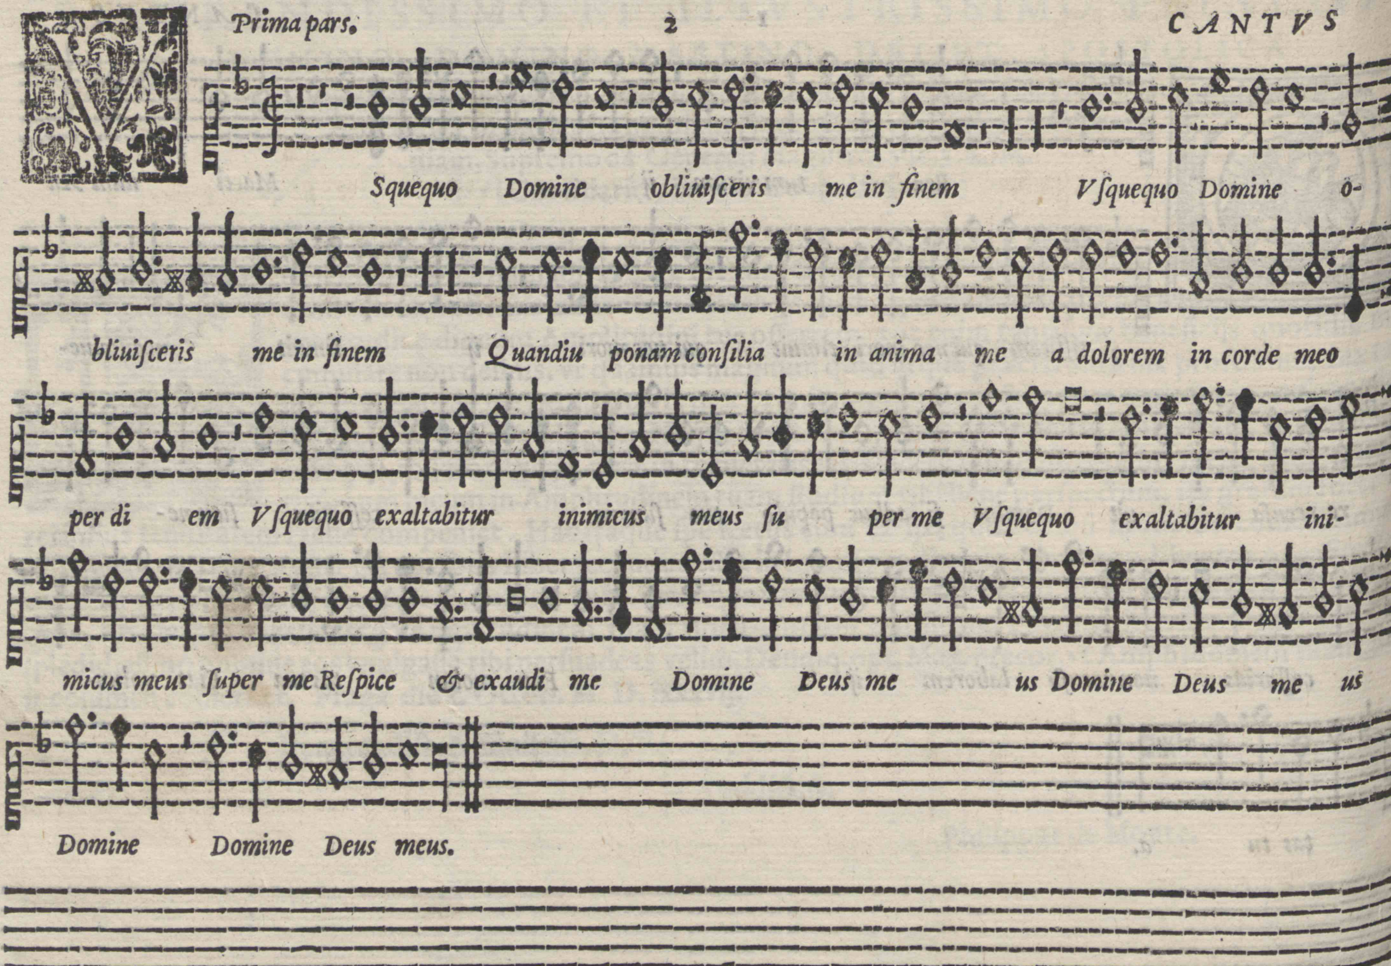

FAcit incredibilis humanitas erga me tua, Generoſiſs. Domine, vt cum diu cogitarim, nihil mihi tamen hactenus in mentem venire potuerit, quod mea in te obſeruantia, atque animi gratitudine dignum Amplitudini tuę offerrem. tot enim tantiſque beneficijs quotidie me cumulare non deſinis, vt quamuis magnum quid atque præclarum à me profectum, tuæ tamen ſingulari in me benignitati, qua eximio me quodam fauore complecteris, reſpondere nullo modo poſſe intelligam. Neque tamen propterea faciendum mihi putaui, vt qualibuſcumque poſſum officijs, meæ in te pietatis ſatisfacere non contendam: ſpero enim ardentiſſimum meum in Amplitudinem tuam ſtudium tibi bene perſpectum, ita gratum fore, vt rei ipſius tenuitatem facile compenſet. Hac itaque ſpe fretus cum ex ijs, quos otioſi modulos conſcribimus, Mottetorum, vt vocant, ſex vocibus Liber ſecundus eſſet in lucem proditurus, hanc ego libenter occaſionem arripui, vt eo, ſi non tę munerarer, ceteris certe omnibus tum tuam in me animi propenſionem & beneficentiam, tum meam viciſſim erga Amplitudinem tuam obſeruantiam teſtificarer. Atque hac me mente ſub tuo ſplēdidiſſimo nomine eos euulgaſſe tibi perſuadeas velim, Deumq. opt. Max. precor, vt Amplitudinem tuam diu incolumen conſeruet. Pragæ die x. Octob. M. D. lxxxvij.

No. 11.

Venetijs Apud Angelum Gardanum.

M. D. LXXXVII.

x
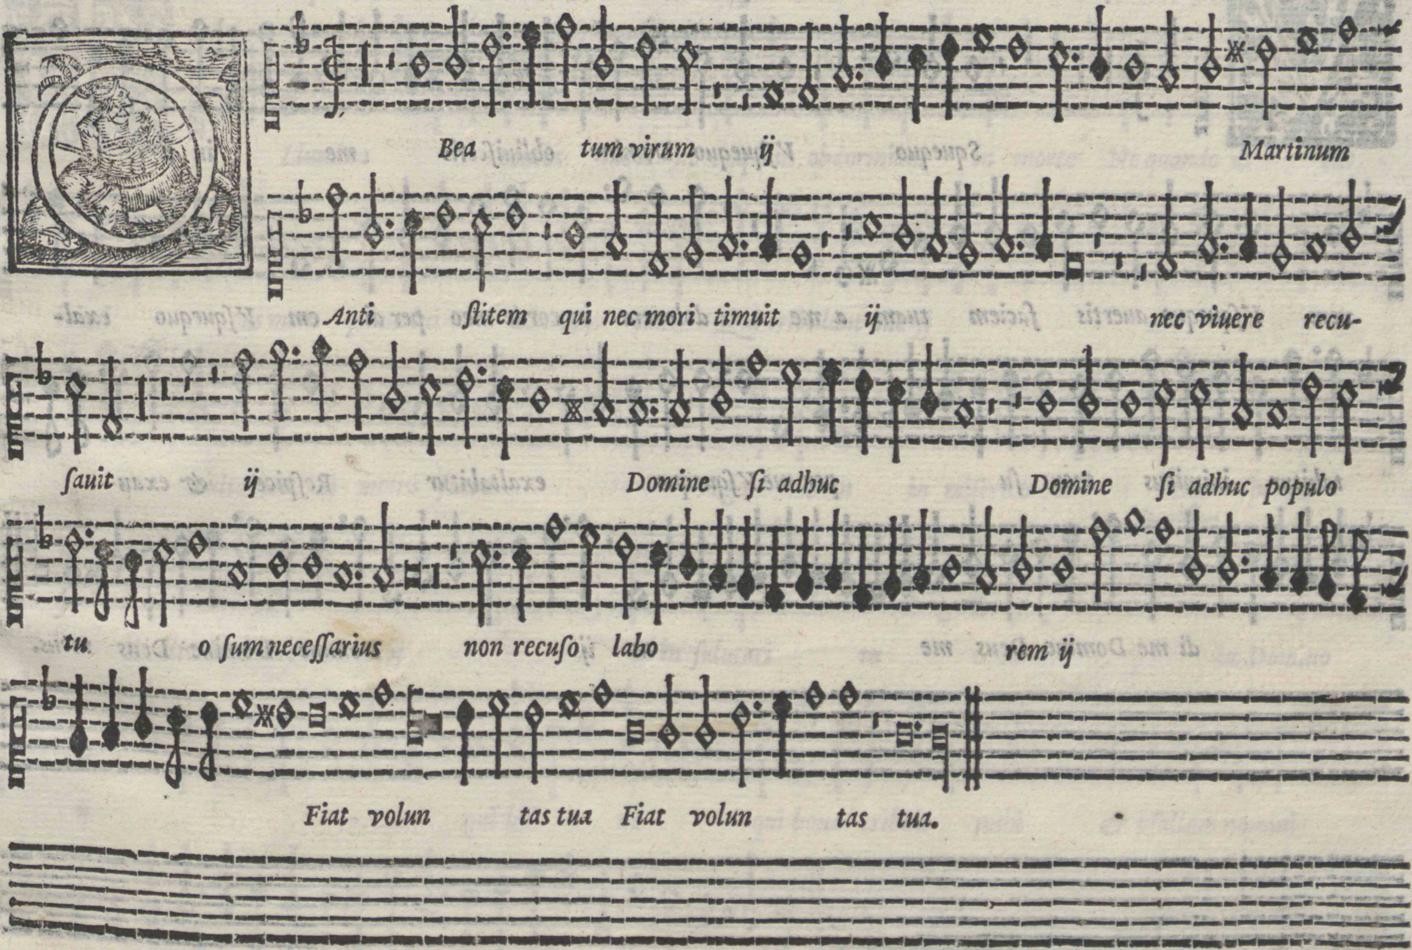

REVERENDISSIMO ET ILLVSTRISSIMO PRINCIPI AC DOMINO, DOMINO MARTINO, DEI ET APOSTOLICA Sedis gratia Archiepiſcopo Pragen. Legato nato, Ordinis Crucigerorum cum rubea ſtella per Bohæmiam, Morauiam, Sileſiam, Poloniam, Supremo ac Generali Magiſtro, Sac. Cæſ. M. Conſiliario, D. ſuo Colendiſsimo.

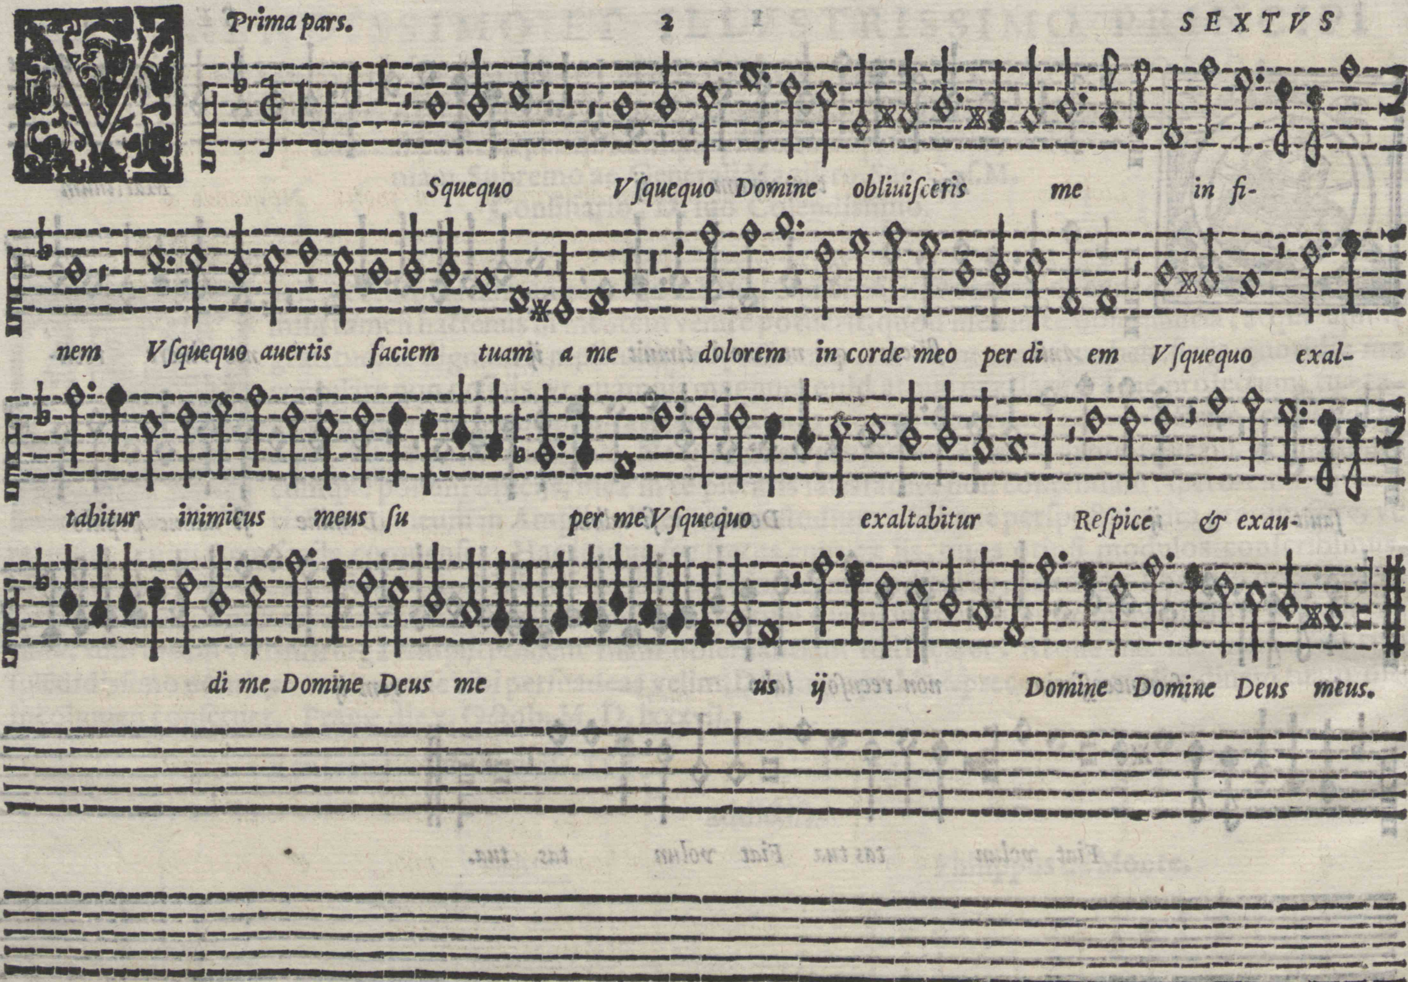

FAcit incredibilis humanitas erga me tua, Generoſiſs. Domine, vt cum diu cogitarim, nihil mihi tamen hactenus in mentem venire potuerit, quod mea in te obſeruantia, atque animi gratitudine dignum Amplitudini tuę offerrem. tot enim tantiſque beneficijs quotidie me cumulare non deſinis, vt quamuis magnum quid atque præclarum à me profectum, tuæ tamen ſingulari in me benignitati, qua eximio me quodam fauore complecteris, reſpondere nullo modo poſſe intelligam. Neque tamen propterea faciendum mihi putaui, vt qualibuſcumque poſſum officijs, meæ in te pietatis ſatisfacere non contendam: ſpero enim ardentiſsimum meum in Amplitudinem tuam ſtudium tibi bene perſpectum, ita gratum fore, vt rei ipſius tenuitatem facile compenſet. Hac itaque ſpe fretus cum ex ijs, quos otioſi modulos conſcribimus, Mottetorum, vt vocant, ſex vocibus Liber ſecundus eſſet in lucem proditurus, hanc ego libenter occaſionem arripui, vt eo, ſi non te munerarer, ceteris certe omnibus tum tuam in me animi propenſionem & beneficentiam, tum meam viciſsim erga Amplitudinem tuam obſeruantiam teſtificarer. Atque hac me mente ſub tuo ſplēdidiſsimo nomine eos euulgaſſe tibi perſuadeas velim, Deumq. opt. Max. precor, vt Amplitudinem tuam diu incolumen conſeruet. Pragæ die x. Octob. M. D. lxxxvij.
